SPACE IS LIMITED

Instructed by:

Susan Dion, LCI

The Smart Cycling Class is a prerequisite for the LCI (League Certified Instructor) Course. Those who successfully pass will have the opportunity to participate in the LCI Course for FREE (\$500+ value) in 2024 and become League of American Bicyclists Certified Instructors!

FREE!

Benefits

- Improve riding skills
- Build riding confidence
- Connect to other local bicyclists and advocates
- Prerequisite for LCI Course

Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration
