Presumed Recovered : **16,691**

## MESSAGE FOR THE PUBLIC: THANK YOU!

Stanislaus County has advanced to the red "Substantial" tier, which allows more of the county to reopen. In order to advance to the orange "Moderate" tier, the county must be in the red tier (current tier) for a minimum of three weeks, and meet the requirements for the orange tier (next tier) for two consecutive weeks. The State updates COVID-19 data and tier assignments every Tuesday.

The Risk of COVID-19 spreading in communities remains elevated. Residents should get tested for COVID-19 if they have symptoms, have been exposed, or have been in an environment where they may have been exposed. Please visit <http://www.schsa.org/corona-virus/testing/> to make an appointment at one of Stanislaus County's free testing locations. Residents are also encouraged to get their flu shot to protect themselves and community from the flu, and continue safe behaviors, like physical distancing, and wearing masks when in public.
